General Comment

my freedom is important !!

I am not dumb and do not need to be dumb down!!

I have a head that God created and expects me to use.

That gives me to ability to use my head to make the chooses that I choose to make weather they are right or wrong It is my choose and I choose to live by those chooses.

Do not take my freedom away!!

I have read the last chapter of this book. I know you will not listen!

I know that you will take away everything.

This is my vote stop do not treat me as though I am dumb!
